

Understanding alcohol misuse in Scotland

A personal invitation for you to come and hear the findings of the Scottish Emergency Department Alcohol Audit final report.

The programme will include:

- **key findings from the audit of alcohol-related attendances to emergency departments**
- **priority recommendations for further work and service improvements**
- **guest speakers from national organisations: NHS Health Scotland, Scottish Intercollegiate Guidelines Network and the Scottish Government.**

**Thursday 15 May 2008, 10.30 – 12.30
NHS Quality Improvement Scotland
Elliott House, 8 – 10 Hillside Crescent, Edinburgh**

Register online at www.nhshealthquality.org or contact:
